DIRECTIONS AND INSTRUCTIONS

Meeting Point will be ELSHAM ESTATES, WRABBY, N LINGS.

There are two entrances to Elsham estates the one we would request handlers come to is the back way in so that you are not driving through the game areas. The postcode to use is my own which is DN38 6DL which takes you into Coskills. If you look on google maps the turn point onto our track is off the A18 this was the best post code to give you for your sat navs to get you as close as possible and into the right entrance to the trial. **HOWEVER PLEASE DO NOT TURN INTO OUR TRACK.**

If you come from the M180 Barnetby Top Interchange you need to travel on the A18 Wrawby Brigg Road. You will pass a layby on your right with a static road side café in it do not turn left into Coskills here continue along the A18 and ignore your sat nav you will pass some mobile phone ariels on your left in a field and a little way after on your right there is a track turning. We will put BOHGC signs here for you. Turn right off the main road go along the single track it will go down hill through a belt of trees and over the motorway. From here you will see the area to park near to the cottages.

If you happen to come through Brigg to Wrawby on the A18 you will go through Wrawby past the Church. Continue until you have no houses on your left hand side. Continue past a farm house and buildings set back on your left. The track into Elsham Estates is a little further on on the left with the signs for BOHGC. If you get to the layby with a static café in it you have gone too far **AND REMEMBER IGNORE YOUR SAT NAV TELLING YOU TO CARRY ON TO COSKILLS.** Go along the single track it will go down hill through a belt of trees and over the motorway. From here you will see the area to park near to the cottages.

Important – The host has requested that although you are able to exercise your dog near the vehicles please keep them as close to the area as possible. Please keep your dogs out of the tree areas and cover which are all holding game.

Can all handlers and helpers be at the above meeting point from half past eight so we are ready for a 09.30 start as the trial is on the back of a driven shoot day so a prompt start will be required.

WE MAYBE IN NEED OF SOME BAG HANDLERS AND MARKERS ON THE DAY IF ANYBODY WOULD LIKE TO BRING A FRIEND WHO WOULD LIKE TO HELP OUT IT WOULD BE APPRECIATED AND SO COULD YOU GIVE ME A RING PLEASE THANKYOU.

Kind Regards Sue Hewitt, Secretary
